1902 1952

Shown above is officers' row at the old Fort in 1869. It was in one of the Fort buildings that college classes were begun in 1902.

history

There was a day when Fort Hays State existed only in the dreams of a man named Martin Allen—whose vision enabled him to see beyond the limited horizons of old Fort Hays to a day when the crude and still-tottering village of Hays City might be the center of education and research for all of Western Kansas.

Martin Allen did not live to see his dream come true, but we believe he would be well-satisfied with the product of his persistence, as Fort Hays Kansas State College pauses in 1952 to celebrate its fifty years of educational service to the area.

Fort Hays State's first president was also a man of vision. William A. Lewis could see no limit to the possibilities of the college whose administration he undertook in 1913. What a tremendous venture the building of Sheridan Coliseum must have represented 38 years ago when the ground was officially broken.

The photo below shows the ceremonies as President Lewis watches with justifiable pride the laying of the conerstone.

It was 1917 before the building was completed and officially dedicated in the presence of the capacity crowd, shown at the left.

1902 1952

Students in the little old frame building, which had been moved from the site of the Fort across the creek to the present campus site, held a tremendous spontaneous celebration when word came that the legislature had appropriated money for their first permanent building. It was our own Picken Hall, shown above as it appeared when it was first completed.

A full house was on hand to dedicate the new auditorium in Picken Hall when it was ready for use in 1908.

Shown below is the Normal School's first principal, William Picken, holding a conference in his office.

At the left is one of the early class-rooms, with the late Professor John Bird in charge.

1902 1952

The baseball players, shown at the left, are the Lorbeer brothers, of a somewhat later vintage, but of unmatched fame in Fort Hays State athletic history.

Athletics have been a serious and important part of life at Fort Hays State from the very beginning, as these early pictures show. Participants will deny that commercialization has added anything to the thrills of athletics, when they were played solely for fun (or perhaps for added prestige in the eyes of the fairer sex).

It looks like things were certainly gay enough around Fort Hays State when grandmother was a girl. The gym in which the Bloomer Girls are posing you'll recognize as the present Social Building.

All was very formal as they crowned a Queen and wound a Maypole in front of Picken Hall, some 30 years ago.

The bridge across Big Creek was known as "Spoony Bridge," even before Custer Hall was built on the other side.

Being "a good skater was better than being a good dancer back" in the good old days.

Musical organizations, shown below, differed only in costume from our modern variety.

1902 1952

Dr. L. D. Wooster, president emeritus of Fort Hays Kansas State College, who delivered the Founder's Day Address.

founders' day

march 3, 1952

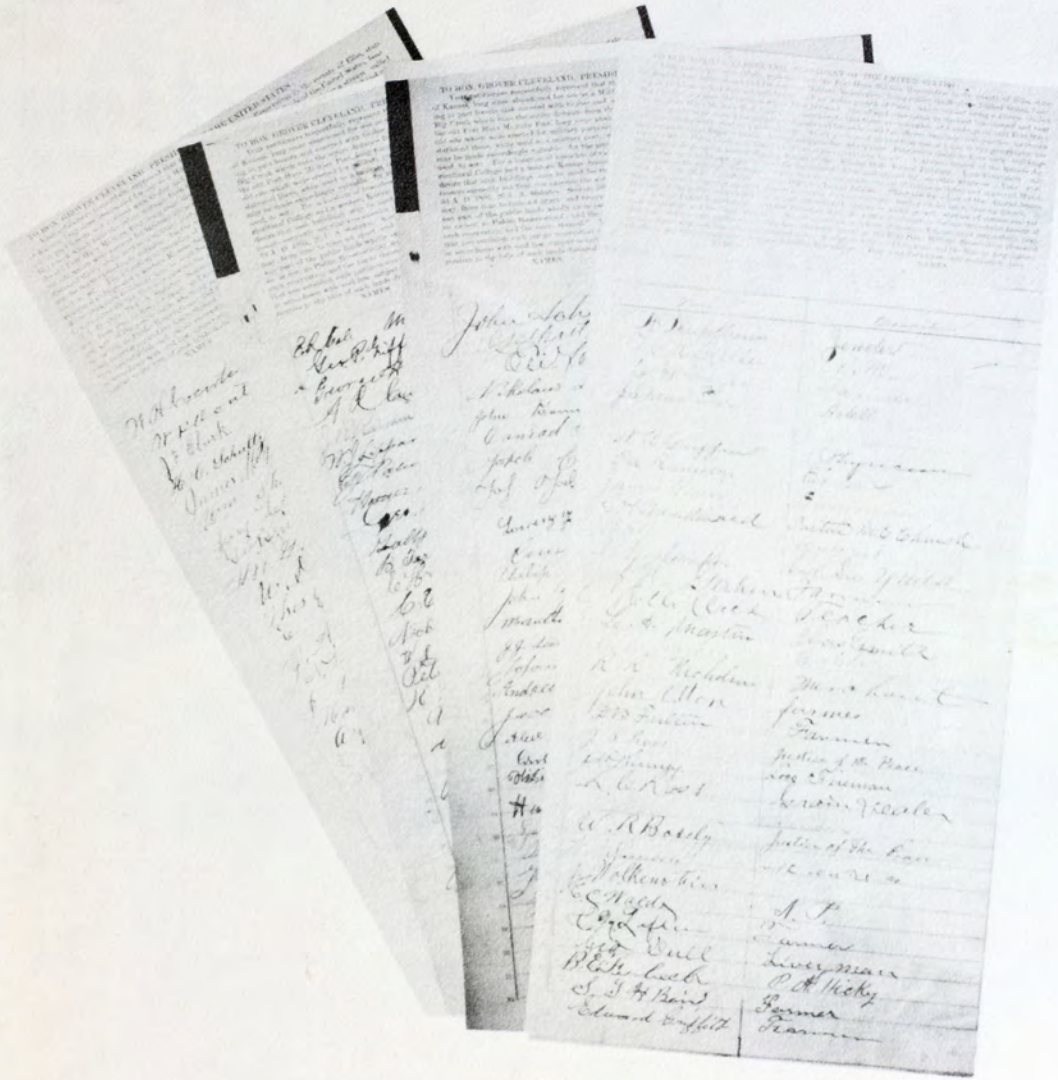

The first of three major events planned to celebrate the Fiftieth Anniversary of Fort Hays State was a Founders' Day Assembly on March 3, with President Emeritus Wooster as principal speaker.

Dr. Wooster paid tribute to Martin Allen, who for many years dreamed of an educational institution on the old fort reservation, but did not live to see the realization of his dreams.

A special guest at the assembly was George Brown, now a night watchman at the college, who was one of the signers of a petition sent by Hays residents in 1895 to President Grover Cleveland requesting the establishment of the college.

Photostatic Records of the petition to President Cleveland

The petition "respectfully represents that the Fort Hays Military Reservation . . . long since abandoned for use as a Military Reservation . . . be used . . . For a location of branches of two state institutions . . . a western branch of the Kansas Agricultural College and a western Kansas branch of the Kansas State Normal Institute . . ."

It was twenty-three years from the time Martin Allen first formally recommended the establishment of the college until its opening day in 1902.

opening day celebration

June 23, 1952

1902 1952

The Fiftieth Anniversary of the scene pictured above—the opening day of the Western Branch of the State Normal School on June 23, 1902, was celebrated this summer. William S. Picken, the first principal, lacked nothing in dramatic sense. He had the above picture carefully posed and taken before the students and townspeople went inside for the opening ceremonies. He also said to Jennie Ward, as he handed her enrollment receipt number one, "Miss Ward, this is a very important occasion. Keep this receipt. One hundred years from now, it will be very valuable."

The first student to enroll on the opening day was Jennie Ward, now Mrs. W. D. Philip, Hays. She still has in her possession the receipt for her enrollment fee.

thrice welcome

The welcome mat was truly out on the campus on June 23. The spotlight was on the "old timers" and special recognition was given to those who were students that first year. Eighteen of the forty-one students who enrolled for the first summer session back in 1902, returned to Fort Hays State to participate in the celebration.

At the right, Miss Maude McMIndes, who has chairmanned the entire anniversary plan, took time out to greet a guest as registrants crowded the Coliseum foyer.

Faculty women, faculty wives, and women students dressed themselves in 1902 costumes to serve as hostesses and guides about the campus. In the photo at the right, Miss Marjorie Butler, dean of women, chats with Mrs. Ethel McKenna, who was for many years Custer Hall director, and is now a beloved member of the emeritus clan at Fort Hays State.

1902 1952

the anniversary assembly

Fred Lindley, San Diego, California, lawyer, banker, rancher, who returned to deliver the principal address, is shown above with Mrs. Lindley, who also attended the affair.

The success of the anniversary celebration was due principally to the fact that so many early day students returned to join in the festivities.

Chat Picken, son of William S. Picken, the first principal of the school, came from Loveland, Colorado.

Two of the college's three first graduates, were back for the celebration. They were Mrs. Fredella Schwaller Trinkle, LaJolla, California, and Fred E. Lindley.

The early-day students, shown below on the front rows of the Coliseum arena, enjoyed a program of early-day entertainment, songs sung by a vocalist popular on the campus in another era, the address by Mr. Lindley, and the singing of the three anthems the college has used at various times in the past fifty years.

To stir nostalgia, the early day students who were back for the celebration were taken in the college bus to Custer's Island, to see that while buildings and new faces change a college the old natural trysting spots stay pretty much the same. The top photo shows the group alighting from the bus. At the right is Mrs. Jennie Ward Philip, the college's first enrollee, picked out for the occasion, and finding herself the center of interest as lemonade is served.

Left, Cody Commons was crowded for the Anniversary Luncheon, with old grads, summer students, faculty members, and friends of the college in attendance.

commencement day, 1952

The long procession from Cody Commons to the Coliseum marked the beginning of the red-letter day of days.

Mother and Dad joined graduates at the annual Commencement Dinner after the degrees were finally conferred.

1932

Reunions of graduates of yesteryear were held at the Commencement dinner. The groups were eyed with a bit of puzzlement by the brand new Class of 1952, which had a bit of difficulty envisioning itself twenty years hence.

1942

"Has it really been ten years? ? ?"
The Class of 1942 held its first reunion at the Commencement dinner.

1952 graduates and their parents and friends jammed Cody Commons for the traditional Commencement dinner.

To say that nobody minded the heat would be gross exaggeration, but it all seemed worth while, considering what was at stake.

anniversary committee

Left to right: Dr. W. D. Moreland, Miss Elizabeth Agnew, Dr. Fred W. Albertson, Miss Maude McMIndes (chairman), Mrs. Nita M. Landrum, Dr. L. D. Wooster, Miss Cora Bibens.

Bearing the brunt of responsibility for the planning and execution of plans for the celebration of Fort Hays State's Fiftieth Anniversary was this faculty committee, appointed by President M. C. Cunningham.

The committee held weekly meetings throughout the entire college year, with a good many extra sessions thrown in on the side. The group was responsible for a vast labyrinth of sub-committees, sub-sub-committees, and sub-sub-sub-committees, all a part of the vast organization necessary to carry out a Golden Anniversary.

In the photo above, the group is examining souvenir anniversary pottery designed by Joel Moss, head of the art department, and distributed during the year at various events.

Miss Marjorie Butler served as hospitality consultant for the group, and Mrs. Helen Francis as publicity consultant.

greeks

panhellenic council

The Panhellenic Association is comprised of the four National Panhellenic fraternities for women on the Fort Hays State College campus. Its function is to set policies concerning rushing, pledging, and initiation procedures.

The most significant event of many years in sorority circles was the acceptance this year of all colleges previously in the Association of Educational Sororities into the National Panhellenic Compact, where they will be associated with all national sororities in universities and colleges throughout the United States.

At Fort Hays State, the Panhellenic Council awards a Scholarship Shield to the sorority with the highest grade point each semester. It was awarded to Sigma Sigma Sigma for the 1951 spring semester and to Alpha Sigma Alpha for the fall semester.

Representatives of the four national sororities on the Fort Hays State campus comprise the Panhellenic Council, pictured above. Left to right in the back row are Margaret Ford, Marianne Rouse, Mary Harvey, Mary Alice Hogan, and Donna Darby Foster. Left to right in the front row are Miss Marjorie Butler, sponsor; Norma Arnhold, Mary Ann Willour, Phyllis Way. Julia Harris is not pictured.

Officers of the group for 1951-52 were Donna Foster, president; Margaret Ford, Theta Sigma Upsilon, recording secretary; Mary Harvey, Sigma Sigma Sigma, corresponding secretary; and Norma Arnhold, Alpha Sigma Alpha, treasurer.

This year also marked the end of the group's seven-year sponsorship by Miss Gaynelle Davis, who has contributed so much to the success of sororities on the campus.

interfraternal council

The Interfraternal Council consists of representatives of the social fraternities on the Fort Hays State campus.

During the past year, Gamma Tau, newly organized local fraternity, was taken into the group. Other members, all national organizations, are Tau Kappa Epsilon, Phi Sigma Epsilon, Kappa Sigma Kappa, and Sigma Tau Gamma.

The Interfraternal Council joins with the Panhellenic Council in sponsoring an All-Greek Conclave on the campus in August. In addition, the two groups sponsor an all-Greek formal dance, which traditionally opens the formal social season.

A project begun by the Interfraternal Council and still under their sponsorship is the annual Interfraternity Sing. For the past two years, the girls have been invited to participate in the event. The Interfraternal Council awards a trophy for the best performance at the sing. In the spring of 1952, it was won by the Tekes.

A scholarship Trophy was awarded for the first time in the summer of 1951, based on grades for the spring semester. Phi Sigma Epsilon won the trophy at that time. Kappa Sigma Kappa won it at the close of the 1951 fall semester.

The Interfraternal Council is made up of two representatives of each fraternity, along with the sponsor of each group. Dr. Emmet Stopher is faculty adviser for the Council.

Members during the 1951-52 college year were John Tomlinson, Dwight York, and George Norman, Kappa Sigs; Ernest Niquette and Hugh Jacobs, Gamma Taus; Keith Dirks and George Walters, Tekes; George Michellick, Merle Bauer, Russell Bray, and Mac Keeley, Phi Sigs; Clyde Ward, Don Foster, and Carol Hornbaker, Sig Taus.

Officers for the first semester were as follows: John Tomlinson, president; Merle Bauer, vice-president; George Walters, secretary; Carol Hornbaker, treasurer. Second semester officers were Keith Dirks, president; George Michellick, vice-president; Clyde Ward, secretary; Hugh Jacobs, treasurer.

A nightclub is the scene of entertainment for these rushees. Cigarette girls peddle their candy wares, punch bowls do their trick and the vice of gambling is mildly in evidence.

sigma sigma sigma

Sigma Sigma Sigma was established at Fort Hays State in 1925. The purple violet is the flower belonging to the Tri Sigmas and purple and white are their colors. National projects of this group include the Ruth Hathoway memorial, John Randolph library, Clara Barton Higgon project, Industrial Home for Crippled Children and the Endicott School.

Chapter officers are Pauline Stewart, president; Gene Johnson, vice president; Elaine Johnson, secretary; Dorothy Arensman, treasurer; Gene Johnson, rush chairman. Their sponsor is Alice Beesley.

Phi Delta Chapter of Kappa Sigma Kappa was established on the Fort Hays State campus in 1946, and was previously Phi Delta Chi, a state fraternity, and previous to that a local fraternity of Kappa Beta Tau. The fraternity colors are purple and gold, and the flower is the iris.

The Kappa Sigs own their own home at 317 West Seventh. Their sponsors are Walter Wallerstedt and Jack Heather.

Officers first semester were John Tomlinson, Interfraternal Council; John Ritz, sgt.-at-arms; Lloyd Switzer, house treasurer; Dean Nolte, historian; and Floyd Switzer, social chairman.

Members not pictured are Harold Long, Don Richardson, John Ritz, Floyd Switzer, Martin Thornburg, Ronald Tempel, Alan Feist, Keith Wade, and George Norman.

Zeta Chapter of Phi Sigma Epsilon has had a great history, but during the war the records were lost. Up to this time the records have not been found, so a true historical picture of the chapter's development is not available. The exact founding date is not known, but the group joined Phi Sigma Epsilon in 1931. In 1946, after being inactive during the war, the Phi Sigs were reinstated on the campus with eleven old members and veterans.

The Phi Sigma Epsilon flower is the white tea rose, and the fraternity colors are old rose and silver.

Eta Chapter of Sigma Tau Gamma was organized October 9, 1923, as Iota Kappa Tau. It remained local until 1925, and then petitioned for admission as a chapter of Sigma Tau Gamma. Its charter was granted on December 15, 1925, thereby becoming the first national fraternity on the Fort Hays State campus. The fraternity colors are blue and white and the fraternity flower is the white rose. Sigma Tau Gamma was admitted to the National Interfraternal Council in 1949.

Opening the season against Northwest Missouri, Fort Hays State rode the crest of a three-touchdown explosion in less than seven minutes of the third quarter to win 20-7.

Southwestern became the next victim as the Builders fell under a withering Tiger attack, 34-7. "Cotty" Matal and Gene Jaco furnished the spark in the Tigers' best offensive show of the season.

In the first road game of the season, the Tigers suffered their first loss at the hands of the Pittsburg Gorillas. The Tigers played the co-champions on even terms before bowing 3-0 on a field goal late in the fourth quarter.

The following week the Tigers kept their home fans on the edges of their seats by squeaking past the St. Benedict's Ravens, 20-19. Trailing 13-6 at the half, the Tigers came back on a 74-yard march and a dazzling 80-yard punt return by Kayo McGillivray. Don Campbell's extra points spelled the difference.

The Tigers nearly spoiled Quincy's homecoming as they extended the favored Hawks before losing 22-21. Behind 15-0 at the half, Fort Hays State rolled to a 21-15 lead early in the last quarter only to have a safety, scored late in the first half catch up with them.

Disappointing 7,000 homecoming fans, the Tigers showed the strain of their previous tight battles in losing to Emporia State, 14-7. The game provided many thrills as the teams fought to a 7-7 tie at the half. The Hornets wrapped up the decision on the first scrimmage play of the second half. The Tigers threatened late in the contest only to miss on a fourth down inside the five-yard line.

A combination of cold weather, a jinx, and a hot Washburn team spelled defeat in the final conference game of the season. Final score was 34-6.

In the last home game for eight seniors, the Tigers disregarded the odds makers to best a classy Colorado College team, 14-13. It was the first victory for Fort Hays State in the series between the two schools. The Tigers had to come from behind twice to win. Frank Haas led the scrappy Tiger line while Marion Schmidt put on one of the finest line-plunging exhibitions ever seen at Lewis Field.

The Tigers completed the season with a 13-7 triumph over an out-classed Kansas Wesleyan team. Gene Hess threw a touchdown pass to end Bud House. The play came on fourth down and 20 yards to go. The win gave the Tigers a creditable record of five wins and four losses.

Winners of 18 and losers of 6, Fort Hays State's basketball Tigers made the 1951-52 season one of the best ever here. Coach Cade Suran's club finished in a second-place tie in the CIC and was runner-up in the Enid, Oklahoma Invitation tournament.

The Tigers raced to nine straight victories as the season began before losing their first of the campaign to Regis in the Enid finals. To start the season FHS downed Southwestern Oklahoma, Hastings, Bethany, and Panhandle A. & M. on the Sheridan coliseum maples. Then, taking to the road, Suran's club brought home a pair of close ones from Hastings and Omaha. And the team set a new school scoring mark in splattering Mankato, Minn., 106-65 in tuning up for the Enid affair.

At Enid the Tigers humbled Arkansas Tech and edged East Central Oklahoma before falling to classy Regis as 1951 came to an end. All-tourney selections included Tigers Ben Frantz, Bud Moeckel and Gene Anderson.

The new year brought CIC play—and a Tiger slump. FHS lost three of its first five in the league, two to Washburn and another to St. Benedict's while the wins were over Emporia State, and Tiger title hopes went down the drain. But the club recuperated quickly to stay unbeaten the rest of the conference season while splitting four non-conference games.

A pair of triumphs over both Southwestern and Pittsburg State were included in the FHS comeback, while the sweetest victory of all was a 55-50 revenge decision over St. Benedict's in probably the most exciting and best-played game of the Coliseum season.

Northwest Oklahoma and Santa Barbara, Calif. were non-league victims of FHS while the Tigers lost tough decisions to Bethany and Rockhurst.

With the end of the season came all-star time. And the Tigers weren't forgotten with ace forward Bob Ziegler named on every All-CIC ballot to appear.

Then there was the matter of records. In addition to the 106-point mark against Mankato, the Tigers set a new school team scoring mark for a season when they tallied 1,713 points for a whopping average of 71.4 points a game. And the 98 points scored against Pittsburg State was believed to be a new high in CIC play.

But probably the most noteworthy record belongs to Ziegler now. Bouncing Bob laced the nets for 302 points over the year to smash the old single-season mark of 289 totaled by Glenn Mitchum in 1950.

Ziegler and fellow forward Guy Conner are the only Tigers lost to the team by graduation. However, military service is expected to take some before a new court year rolls around.

1952 track

Melvin Christensen, Bob Brautigam, Gus Nicholas, and Art Ray.

The 1952 track season was one of broken records and many championships.

The Tigers won the Central Intercollegiate Conference by the largest majority of points the conference has seen for many years. They won the Emporia Relays championship and maintained a six-year record of consistent victories in dual meets.

Two new school records were set—one by Ted Stryker with a 4:14 mile, and the other by Bob Brautigam with 45 feet, 7 and $\frac{5}{8}$ inches in the shot put.

A group of distance and middle distance runners that were the answer to Coach Alex Francis' years of dreaming won many honors in national meets.

A two-mile relay team, made up of Dean Thompson, Charles Owens, Alan Feist, and Ted Stryker, placed second at the K. U. Relays and third at the Drake Relays. A distance medley relay team with the same runners, except that Rupp replaced Feist at K. U., placed fourth at both the K. U. Relays and the Drake Relays. In placing fourth at Drake, the team broke the existing Drake Relays record. The same group set a new record at the Emporia Relays.

Individual conference champions were Gus Nicholas, javelin; Bob Brautigam, discus; Kayo McGilivray, low hurdles; Dick Scott, broad jump; and Ted Stryker who won both the 800 and mile runs. The mile relay team, made up of Dean Thompson, Bill Fculkers, Charles Owens, and Aaron Feist, also won the conference championship.

In post season events, Bob Brautigam won the AAU discus championship and was fourth in the National Intercollegiate Meet at Abilene, Texas, in the discus and fifth in the shot. Ted Stryker placed second in the AAU meet and third in the national meet. Later, he qualified for the Olympic finals by placing fifth in the National AAU meet in California.

The nucleus of the Tigers' 1952 power was these runners — back row, Dean Thompson, Aaron Feist, Charles Owens; front row, Ted Stryker, Bill Rupp, Alan Feist.

From such individual efforts as there are conference championships made.

Not pictured are Jack Denison, whose baseball career shortened his track season, and David Riegel, who got a late start after an appendectomy. Both earned letters for the season.

Shown at the left is Bernard Riedl, freshman dash man from Scott City.

Kayo McGillivray and Gene Anderson, hurdlers, are shown below. Kayo's brilliant finish in the CIC low hurdles race has given Tiger fans something to talk about for a long time to come.

Coach Alex Francis helps Dick Scott, CIC broad jump champion, measure his distance. Looking on are Art Ray, left, and Doyle Meade.

Olympic Try-out Finalist—

Fort Hays State's own Ted Stryker.

For the first time in the history of Fort Hays State, a Tiger athlete advanced to the final tryouts for the Olympic team. One of the nation's twelve final contestants in the 1,500 meter run, Stryker was well rewarded for the tremendous personal effort he put into his training.

Stryker broke the Fort Hays State mile record every time he competed during the 1952 season. His best time was 4:14, which may stand for many years before the college has another runner of Stryker's ability.

His home is at Burrton. Only a junior, Ted's future is as yet undetermined by his draft board.

the 1951 season

Due to early Reville copy dates in the spring of 1951, last year's Tiger track team, which placed second in the CIC, is given special mention here.

Four individual conference championships were won by Fort Hays State. Dual meet victories were won from Kearney and Wichita University. One new college record—Bill Rupp's 4:34 mile—was set.

Leon Roberts, CIC champion in the javelin throw.

Sam Teaford, CIC champion in the high jump.

Bob Brautigam, CIC champion in the discus throw.

Dean Thompson, CIC champion in the 880.

state college leader

It takes a good many brains, and even some actual brawn to keep the pages of a college weekly filled.

The State College Leader is printed in the college printshop, under the supervision of Walter Wallerstedt and Ed Urban, who doubles as a staff member. It is used as a laboratory project by journalism classes, which are taught by Richard Dilsaver, Leader sponsor.

Ann Crumly, who was editor, and Bill Rupp, the business manager, found that a college paper is another of those things like death and taxes that must come out no matter what.

At the right is Martha Pate, faithful assistant, who will assume editorial responsibilities next year.

Shown below are the staff members. Seated are Ann Crumly, editor, and Don McCosh. Grouped around the desk are Ruth Secret; Dean Kruse, columnist Stan Ball, sports editor; Bill Rupp, business manager; Carolyn Hake; Don Rupp; and Ed Urban.

the reveille

The first fifty pages of a college yearbook are really sort of fun. The last fifty aren't so bad, either, because victory is in sight. It's the middle one hundred that turn out to be torture supreme.

The Reveille is Fort Hays State's annual record of student activities, published by the students themselves.

Donna Darby Foster, editor of the 1952 Reveille, and Dean Kruse, business manager, are shown at the left.

William Shakespeare's "Taming of the Shrew" was a summer presentation of the Little Theatre. It starred Vivian Fleming in the role of Katherine, with her husband, Bob Fleming as Petruchio.

Directed by Dr. Geneva Herndon, the production was gay with lavish lines and costumes.

Another comedy, with a serious vein was George Bernard Shaw's "Candida," presented in March by Alpha Psi Omega, national honorary dramatics fraternity.

Ethelmae Wilson played the title role, supported by an exceedingly able cast. The play was directed by Dr. Geneva Hernndon.

drama

Behind the scenes there is frenzied activity that often exceeds the most dramatic moments on stage.

It takes tireless effort on the part of a large crew of stage hands, property men, electricians, scenery, decorators, and make-up artists to get the show on the road.

Walter Woods, whose field is psychology, finds relaxation in helping with stage scenery. His handsome friend relaxes in a more conventional manner.

debate

A small but active group of debaters, headed by Cecil Merkel, junior, and Eldon Laidig, participated in several meets with Merkel and Laidig winning nine out of twelve debates during the year. Also participating were Eugene Jarus, Jim Seuser, and Kaye Von Schritlz.

James R. Start, head of the speech department, directed the activities of the debaters.

In the photo below, Laidig takes a turn before the season's most critical audience, his own team-mates. At the left, Jarus practices a gesture.

radio

Activities in the field of radio are expanding steadily at Fort Hays State.

Under the supervision of Jack Heather, radio director, additional classes are being offered. A daily program over KAYS, Hays, gives students valuable experience in the field. Regular programs have been added this year over KSAL, Salina, and KVGB, Great Bend. All student programs originated in the college studios.

Jack Heather goes over a news script with Shirley Filbert and Valis Rockwell, both students in radio announcing.

Bill Latchford, whose "Listen to Latchford," piano interpretations have been popular with college radio fans throughout the year, is shown with Sig Leiker, junior, who often did his announcing.

A Few Words To The Students Of Fort Hays State

The reading of a daily newspaper is a broad education in itself. The daily paper affords a background of general information which no one can obtain in any other way.

Few college students need to be told this, it goes without saying, but there may be young men and young women attending Fort Hays State who do not know the Hays Daily News has complete coverage of world-wide, national, state and home news on every weekday except Saturday, and on Sunday as well. The Sunday Morning News also has features and a comic section as well. The over-all news coverage provided is that of the Associated Press, the world's largest news-gathering agency.

Read the News to be up on all the news that is news.

Months of study—Months of pleasant companionship—

All of them summarized in this yearbook, a memento to the effort you have put forth to make a success of your school work. It is our hope that Coca-Cola has in some small way made your task easier—contributed a friendly pause for refreshment to your work or play.

Anywhere, anytime, you will find a frosty bottle of Coca-Cola near-by to help you make any pause "The Pause That Refreshes".

TAKE THE MYSTERY OUT OF
YOUR *Diamond* PURCHASE

Instead of trying to judge the quality of diamonds by comparing size and price, we suggest that you come in for a talk. Your Registered Jeweler will be glad to explain why some diamonds have more brilliance and beauty than others and show you how you can choose wisely and well.

There's no need to wait until you are ready to buy. You will not be pressed to buy anything. Please feel that you are welcome any time at your Registered Jeweler's. His scientific knowledge is at your service.
